

PowerwoR_xTM

COMMERCIAL AND INDUSTRIAL SYSTEMS

TEN (10) - YEAR WARRANTY

The **PowerwoR_xTM** system(s) warranty is for the benefit of the original purchaser (consumer) only and will continue for the warranty period of ten (10) years as long as such original purchaser uses the system(s) purchased herein. If within the ten (10) years of purchase a **PowerwoR_xTM** system(s) is damaged by a power surge, or fails to work, CPC will, at its sole discretion, repair or replace the unit. This warranty does cover damage caused by a power surge. (A power surge is defined as an electrical transient or spike on the AC power lines, including those caused by indirect lightning.) Subject to the provisions below, this warranty also covers all defects in workmanship or materials. This warranty is applicable only when the **PowerwoR_xTM** system(s) was active and fully functional immediately prior to the claim event and the **PowerwoR_xTM** system(s) sustained surge damage as a result of the claim event or stopped functioning without any apparent reason. The **PowerwoR_xTM** system(s) must be installed by a licensed/insured electrician. The above remedy is the sole remedy under this warranty, whether based on contract, tort, including negligence or otherwise. Claims must be made within ten (10) days of damage or loss. The **PowerwoR_xTM** system(s) must be register by the original owner for the warranty to be exercised. You must register the system by returning the fully completed bottom portion of this document within ten (10) days of installation. In the event of an operational failure of the system(s), mail a written warranty claim request to CPC that includes the date of purchase and serial number of the system. CPC will e-mail a claim number to the purchaser that must accompany the damaged unit that is being return for repair or replacement. Send the damaged **PowerwoR_xTM** system(s), freight prepaid, to CPC for testing and confirmation of damage. Upon confirmation of surge damage or a performance failure due to parts or workmanship, CPC will repair or replace the damaged or defective unit. This warranty will not apply to any defects or damage to the **PowerwoR_xTM** system(s) due to: (a) tampering, modification, or alteration of the **PowerwoR_xTM** system(s), including breaking the warranty seal, (b) use of the **PowerwoR_xTM** system(s) under less than normal conditions (conditions dissimilar to those on the design name plate of the system).

EXCEPT FOR THE EXPRESS WARRANTY SET FORTH ABOVE, CPC GRANTS NO OTHER WARRANTY, EXPRESS OR IMPLIED, BY STATUTE OR OTHERWISE, REGARDING THE PRODUCTS, THEIR FITNESS FOR ANY PURPOSE, THEIR QUALITY, THEIR MERCHANTABILITY, OR OTHERWISE. CPC'S LIABILITY UNDER ANY LEGAL THEORY SHALL BE LIMITED TO THE REPAIR OR REPLACEMENT OF THE **PowerwoR_xTM** SYSTEM(S). IN NO EVENT SHALL CPC BE LIABLE FOR THE COST OF PROCURMENT OF SUBSTITUE GOODS OR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES.
